We require a 100% deposit upfront and have a production process of 7 to 10 working days once we receive proof of payment as well as written approval on artwork.

\*\*\*All walls and/or wooden surface needs to be PREPPED, PRIMED and PAINTED with a universal oil based primer and a coat of 100% fully washable paint.(ie Velvaglo) Any Cretestone/Rhinolite walls that have skimming or filing products ie polyfilla, the surface must be sanded down and all dust from sanding must be washed off prior to installation. This is the clients responsibility. Walls needs to be 100% dry and ready PRIOR to installation. Any issues arising from defective walls will not be the responsibility of RSW (these include among other, damp, lifting paint, defective walls and incorrectly prepped walls)

Installation Cancellation Policy :

A 48 Hour notification is required for cancellation or changes for installation, if we are not notified within 48 Hours the client will remain liable for the installation costs.\*\*\*

\*\*\* Please note that when we do proceed with printing there is no 100 percent colour match for patches that will be installed. Environmental factors as well as machine wear and tear / head changes etc all need to be taken into account. There will always be a slight variance in colour due to these factors - A slight variance in colour will not be deemed a defect. \*\*\*
