

## AYANDA PENDANT LIGHT

Part of the 2023 Nokukhanya Collection, the Ayanda Pendant Light takes its name from the Zulu language, signifying "One who is always increasing" or "they increase." This pendant light pays homage to the Zulu heritage by drawing inspiration from two iconic elements of a woman's attire – the pleated skirt "isidwaba" and the dignified silhouette of the traditional headpiece "isicholo."

Celebrating cultural significance and growth, the Ayanda Pendant Light elegantly mirrors the grace of Zulu traditions, casting captivating shadows when illuminated. It seamlessly merges tradition with contemporary design, making it a meaningful addition to any space while celebrating the timeless elegance of Zulu culture.
