

## NOMALANGA PENDANT LIGHT

An addition to the 2023 Nokukhanya Collection, Nomalanga derives its name from the Zulu language, signifying "sunny."

This pendant light celebrates Zulu culture by drawing inspiration from the iconic headpiece, "isicholo," traditionally worn by Zulu women.

Crafted from powder-coated steel and timber, it transforms into a contemporary statement piece, merging tradition with modernity. The Nomalanga Pendant Light embodies the radiant spirit of Zulu culture, casting a warm and inviting glow, much like the sun it's named after.
