

## NTANDO PENDANT LIGHT

The Ntando Pendant Light, bearing the Zulu name for "love," this pendant light commemorates the 2023 Nokukhanya Collection.

Drawing inspiration from the iconic markings that grace Zulu shields, known as "isihlangu," these symbolic motifs enrich each light, preserving the very essence of Zulu warrior symbolism within its steelwork design.

The Ntando Pendant Light not only embodies love but also serves as a timeless tribute to the heritage and cultural wealth of the Zulu tradition, encapsulated within each piece.
