ITEMS:

Name: KARL CHAIR

Steel frame powder coated;

Colour: We are looking for a dark green [see reference image above]. Do you a colour like this?

Finish: What finish was approved by Nando's for the steel frame? Is it a fine texture [Ferrogain], matt or low sheen?

Backrest:

1.5mm Natural Birch cork/plywood backrest [natural]

Seat:

leather upholstered seat/lifetime foam seat.

Can we specify a specific leather from African Leather & Skins? Or do we need to specify a colour from your range?

We are looking for a rich dark brown leather. The colour of **Full Grain Aniline, Diesel Brown** and **Full grain aniline Bovine, Zambesi Buff Dark** gives you a good indication of the colour we are looking for.

 I look forward to hearing from you.

Kind Regards,
