## WARRANTY DOCUMENT

(Valid only with a proof of purchase made through Dibs)

We stand behind our product!

Dibs focuses on producing local commercial furniture that is architect designed, articulate, cost accessible and reliable. With 25 years' experience we have a well-established and reliable supplier base. We pride ourselves in both our service and end product, by harnessing our experience, ability to communicate with the client throughout the entire manufacturing process and delivering a high-quality product on time. Therefore the furniture you have bought has the highest standard of quality and meets global requirements of ergonomics and safety.

For the production of each item we use carefully selected materials and components that come from reliable sources. Our furniture is made mostly from natural materials, including wood, veneer, natural stones, and metals. These materials are characterised by their individuality and uniqueness in character, colour and structure. These unique qualities of each individual piece of furniture truly reflect its natural beauty and timeless value.

## CONDITIONS

1. The Purchaser confirms that the:
  - a. Furniture will be used in accordance with its construction and its intended purpose.
  - b. Furniture should be used indoors unless otherwise stated that it is suitable for outdoors.
  - c. Furniture should not be exposed to direct sunlight, as this may change the colour of the materials and/or damage sealants).
  - d. Heavy furniture should not be moved directly on surfaces as this may lead to the leg or base damaging or scratching the flooring.
2. The Purchaser hereby indemnifies Dibs against any liability of misuse, rough handling, lack of good care, unsafe storage, and transportation of each item. Each item is to be handled with care.
3. The warranty covers all products bought through Dibs.
4. The warranty does not cover:
  - a. Damage that may occur due to transportation or transfer of an item of furniture
  - b. Damage arising from negligence, user abuse or incorrect usage of the product, including storage and maintenance
  - c. Breakage or faults resulting from normal wear and tear
  - d. Did not or could not have had knowledge of any defect therein
  - e. Damage arising from environmental extremities such as excessive temperature or temperature variation, excessive moisture or moisture variation and/or sea air corrosion
  - f. Damage arising by a result of force majeure, especially fire and flood
  - g. Damage arising from a failure to adequately care for the product
  - h. Damage arising from repairs and/or alterations to the product by a third party acting on by the order of the Purchaser
  - i. Where the specifications of a product, although adequately described on the website and generally fit for its intended purpose, do not suit you
5. Claims concerning a defect covered by the warranty should be recorded and emailed through to us at [angela@dibsdesign.co.za](mailto:angela@dibsdesign.co.za)
