But I was wondering if we could go to RAL 6018 for the frame. @christoph respose:Just to confirm we'd like the black leather seat and black to the reverse of the cork back rest as per the black edition chair. But I was wondering if we could go to RAL 6018 for the frame.@Holly Query, Are we able to have a custom colour on the frame only on this black edition chair? I would like a green RAL colour (that is different to the green frame in your photos).
