Specifications:

Hi, What is the height of the top shelf? To ensure our sauce bottles fit on the shelves, we require 320mm gap from shelf to underside of the shelf above. Could we please finish the carved inlay in Duratec Intensity Sunshine (yellow) 900-2084G Satin We don't require the cutlery holders cut out if this could please be removed, however would like to include a Honed granite top. Thanks, Ashlea
