Specifications:

Hi Thabisa, I really love the pendant light you shared on Instagram a few weeks ago (image attached), it's 4 layers and beaded. I'm wondering if you could do something similar for Nando's Central Support office in Melbourne, Australia? It's to hang on the stairwell landing as you walk to the upstairs floor. Ideally, I'd like it to be at least 900mm dia and 900mm high, sitting above the landing around 2200mm - 2400mm at FFL. Love to hear what is possible and if you can let me know costs. Thanks, Ashlea
