Finishes: Hello, We would like to use this Bonolo pattern as a feature screen for the new signage at Southwark. The pattern would be fret-cut from mild steel panels with the Nando's illuminated lettering on top - please see the attached drawings to give you an idea of how/where we would like to use the pattern. The overall size of the pattern works out at 2.1 metres sq. Please let me know if you need any further details. Thanks, Suzie
